

High School Sharing Program *Registration Form*

Sharing is a Youth Ministry program for High School students where volunteer adult facilitators welcome groups of teens into their homes to discuss topics and themes related to living out our Catholic faith.

GRADE-LEVEL THEMES OF SHARING GROUPS

9th: *Positive ID* - Our deepest identity is found in being a son or daughter of God. Having this positive self-image lets us thrive in friendships, family, and in the Church.

10th: *The Morals of the Story* - Moral decision making is especially important when it comes to sexuality and dating. It's not about a list of "no's", but about saying "yes" to authentic love.

11th: *Hot Topics and Tough Questions* - We look around and see sin, suffering, and all sorts of issues in our world today, but our faith offers beautiful and solid responses to these problems.

12th: *The Language of Love* - Communication in relationships is key, especially in God's call to lifelong love and service in the Sacrament of Matrimony and in religious vocations.
